

# Local Plants and Local People

Literacy for Environmental Justice

Dr. Hollis Pierce-Jenkins & Nina Omomo

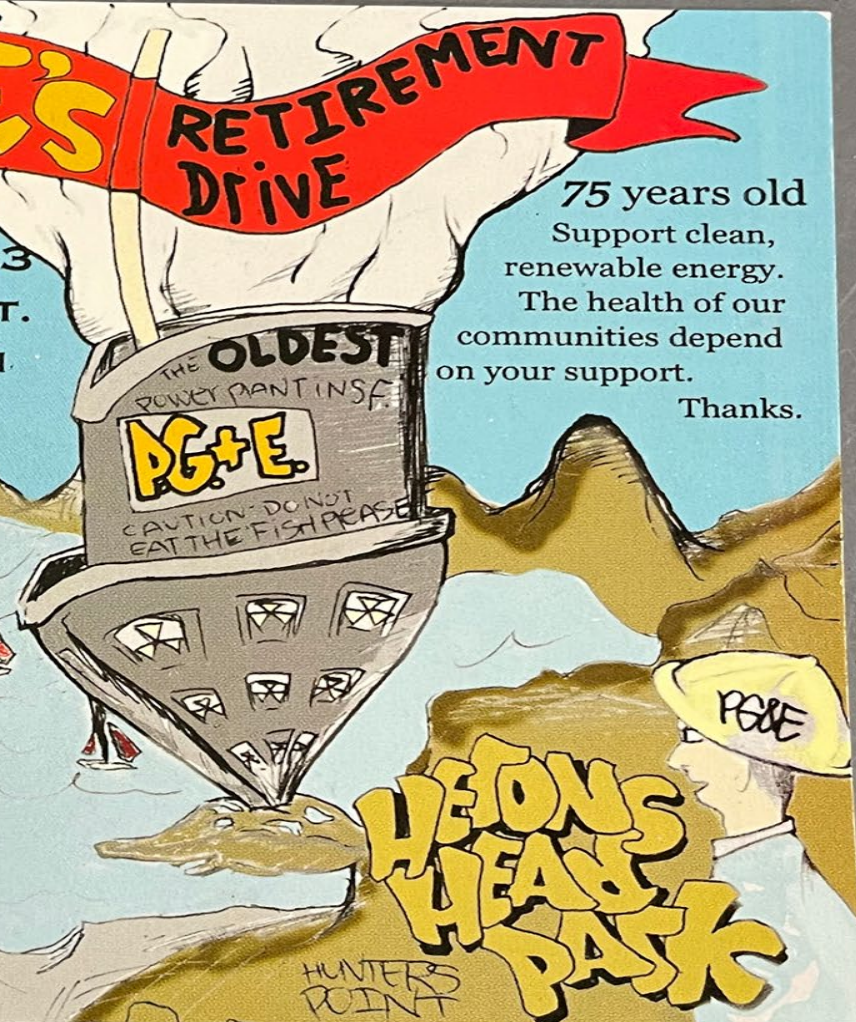

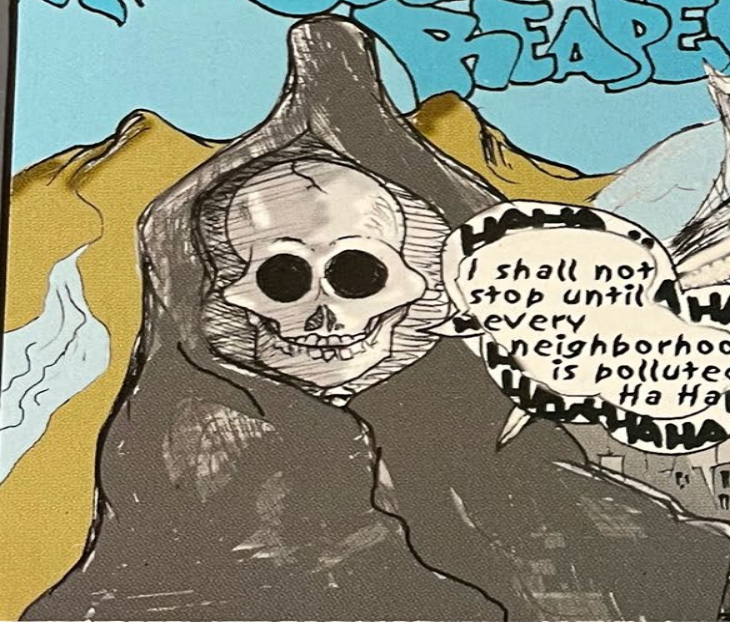

State of the Estuary Conference 2024

**COME OUT TO HELP  
US SHUT DOWN  
THE P.G.&E.  
POWER PLANT  
IN HUNTERS POINT**

**PG&E's RETIREMENT  
DRIVE**  
DECEMBER 17, 2003  
77 BEALE ST.  
3:30PM

75 years old  
Support clean,  
renewable energy.  
The health of our  
communities depend  
on your support.  
Thanks.

W/ special guest  
**THE GRIM  
REAPER**

**HUNTERS  
POINT  
PARK**

...works to achieve equity and climate justice in southeast San Francisco by inspiring and empowering youth and the community to be a part of the climate solution

# Community-built nursery!

**LEJ has restored over 100 acres of public lands**

LEJ has planted over 250,000 in southeast SF since 1998

☀️ Thank you! ☀️
